Dear Pastors and Friends,

During the month of March my wife and I had the privilege to minister in Mexico and the Philippines. In Mexico on the 5th-8th I met with our national pastors and preached to the believers there in 5 churches. I will be returning to Oaxaca City in July for a mission trip with 15-20 people. Also, there will be an ADVANCE event in Oaxaca for church planting in September. I am hoping to meet with over 100 Pastors and church planters. My goal is 10 new churches per year for 5 years for a total of 50. Another ADVANCE event will take place in Leon, Mexico to promote church planting in and around that city. Presently, one of our young men Aaron Lindsey is there helping the men finish a church building that our men started last July.

MEXICO

On April 11th-28th my wife and I flew to Manila. It was possibly the very best trip ever. We saw our daughter, preached 6 times, saw many friends and missionaries and participated in the graduation of Baptist Bible College Asia where missionary Dr. Greg Lyons and his wife LuAnn have ministered for over 30 years. Manila is an amazing city. There is so much poverty along side of so much beauty. We also did some touring with our daughter Hannah. The Islands are lovely and the beaches are rated the most beautiful in the world. One of the highlights was preaching on Easter Sunday and 2 individuals made professions of faith in Christ. Next month I will be telling you more about an alliance that is taking place between ADVANCE and GLOBAL SURGE for church planting in Asia. GLOBAL SURGE is the church planting ministry of Dr. Lyons church Community Baptist. We are back in the USA and now recovering from jet lag.

MANILA

The last three and a half months since resigning as pastor of my church has been a remarkable and productive time. I have had the honor of preaching 16 times. God has shown his grace and blessings not only on me but also on our home church the Indianapolis Baptist Temple. Our new pastor Matt Roller has done an incredible job. It is always good when the perfect will of God is experienced.

Lastly, to discover more about ADVANCE go to gregadixon.com. Pray for our efforts and consider donating to a great cause of spreading the gospel of Christ around the world through church planting.
