Dear Pastors and Friends,

The month of April continued to be a spiritually productive time of ministry. In Boston I spoke to the students of Boston Baptist College with President David Melton. These students are the future Pastors, church planters and Christian workers of our nation and world. They were so receptive and had a great motivation to be used of God.

While there my wife and I were able to tour Boston for the very first time. It was an incredible time as we visited some great American historical sites.

Then I flew to Florida for 5 additional speaking opportunities. In Tampa I was with Pastor Yankee Arnold and the Calvary Community Church. I have known Pastor Arnold for many years and there was a wonderful spirit in the services. I then drove to Cape Coral and spoke for Pastor Bill Roan and the New Testament Baptist Church. There I preached in his evening service, in the Christian School (I love Christian school students) and at the Unregistered Baptist Fellowship meeting.

After 4 months and 23 speaking engagements of promoting ADVANCE I am overwhelmed by Gods blessing in allowing me to preach and encourage pastors and churches all around the world. Please go to gregadixon.com to learn more about ADVANCE NORTH AMERICA, ADVANCE LATIN AMERICA
