ADVANCE - LEON, GUANAJUATA

Thank you so much for your prayers leading up to this trip to Leon! We arrived on Friday to have the 2nd church planting event with several national pastors and missionary, Bonnie Wilson. ADVANCE helped start nine new churches this year - because of your prayer and financial support! Please pray that there would be a great harvest of new church planters once again this year. I will update you with photos and news in the next newsletter.

ADVANCE OAXACA MISSION TRIP

On Tuesday, we will leave Leon and fly to Oaxaca to meet up with 27 others from the US and Mexico for a week of ministry in three different towns. We will be assisting our ministry partners with two Vacation Bible School's in their local areas. This is especially exciting because a doctor and a dentist will be joining to provide aid to those who need assistance in the perspective areas. We are

called to meet the physical and spiritual needs of people. You can't have one without the other - the physical cup of water and the spiritual cup of water. Jesus sets the best example of this in the Gospels.

There is a possible opportunity for a new church plant in one of the areas we will be visiting. Please pray for the team and all that we will encounter in the coming days.

NEW CHURCH ALLIANCE

My goal for 2018 is to develop 30 new global alliances for church planting around the world. In June, I had the opportunity to preach for three different churches and introduce them to the work of ADVANCE - one of those was for Pastor Andrew Green and Faith Baptist Church in Kokomo. I am grateful for his friendship and for the opportunity to plant 150 churches together in 2019 In Latin America, Africa and Asia. The best days are ahead. Let's believe for more and for God to show up in amazing ways.

20 NEW CHURCH PLANTERS

Liberia, Africa is fruitful because of the faithfulness of other missionaries from the past and present. ADVANCE now has the opportunity to build on the foundation others have laid since the 1940's. 20 new church planters are being supported in June - which brings the total to 32 new churches in Liberia in the last two years! Through your prayers and your giving, ADVANCE is helping to accelerate God's work around the world. More men, women and children are hearing the Gospel - praise God!

The photos above are the new church planters. I encourage you to pray for them by name and their locations today. We were told they are already meeting together and ready to go!

URBAN YOUTH MINISTRY

For 12 years, I have had the privilege to oversee UYM. Through the years, many volunteers, along with our Director Nick Bolden, have ministered to students in Indy's public schools. This summer, the Young Champion program has continued in two locations while preparing for the 2018-2019 school year. Nearly 1000 students have prayed to receive Christ as Savior in our after-school faith-based programs. God is working locally and internationally. He never stops. Be encouraged that great things are taking place - let us continue to pray and work hard on behalf of the Gospel.

To promote an alliance of pastors, churches and leaders for inner-city renewal through Christian initiatives.

HOW CAN YOU HELP?

1. 30 churches or individuals giving an average gift of \$100 per month for 12 months.
2. \$50 - \$100 per month will support one church planter around the world for one year.

3. \$20,000 per year will start 40 churches per year.

One day in the presence of Christ, to be able to give an account of helping plant 10 or 20 or 50 new churches, would be remarkable.

You may send a monthly check to ADVANCE at [4002 E. Southport Rd. Indianapolis, Indiana 46237](#) or go to advanceglobal.net and donate online. An ALLIANCE with you or your church for church planting is a goal that is worthy of consideration and participation. 100% of every donation goes to pastors planting churches around the world. There are no administration fees or salaries taken from your gifts. My wife and I personally give 100% of all love offerings from speaking engagements to ADVANCE for inner-city renewal.

Please be part of this great task in fulfilling the Great Commission!

Thank you and God bless.
